Please comment on your willingness and availability to serve as IASB District Director:
I am willing and available to serve as a District Director. My daily job is flexible enough to allow me to take the needed time off to attend meetings as they are scheduled.
Please explain your philosophy of what you believe the role of IASB should be to assist Iowa school boards and strengthen public education:
Strengthing local boards to govern effectively. IASB should continue to advocate and promote Iowa public schools and the many successes happening across our state. IASB should continue to offer avenues to our lawmakers so that they can hear what they can do and not do for public education.
