Statewide Per Pupil Average | \$430.85

Statewide Adjusted Per Pupil Average | \$450.14

The net operating transportation cost per pupil for each district in FY 2024 impacts the amount of transportation aid a district may receive for FY 2026. The standing appropriation for transportation equity payments is expected to increase by 5.0%. The per pupil amount is the district's net operating transportation cost divided by the district's October 2023 certified enrollment less any shared-time non-public students.
