**Statewide Per Pupil Average | \$452.21**  
**Statewide Adjusted Per Pupil Average | \$456.76**

*The net operating transportation cost per pupil for each district in FY 2025 impacts the amount of transportation aid a district may receive for FY 2027. The Governor is recommending increasing the standing appropriation for transportation equity payments by 2.0%.  
 The per-pupil amount is the district's net operating transportation cost divided by the district's October 2025 certified enrollment less any shared-time non-public students.*
