

Iowa Association of School Boards:
Estimated FY 2027 Transportation Funding By District
Governor's Recommendations Only (not actual)

-*Statewide Average Per Pupil Amount* - Amount required to get the district's transportation cost per pupil to the statewide average level.

-*Amount of Funding Above the Statewide Average Amount* - additional funding remaining that is divided between all school districts (if sufficient funding is available).

-*Total Allocation Amount* - Total amount allocated for FY 2027.

NOTE the FY 2027 amounts are estimated and based on the FY 2025 Transportation Cost Report provided by the Department of Education and the Governor's recommendations. Actual amounts will be calculated by the DOM and will be available after July 1, 2025.

Estimates are based on 2.0% growth rate for Transportation Equity and increase the total FY 2027 Transportation Aid Amount by that rate.
