

One Voice for Iowa Students

The AEA, IASB and SAI have joined forces to advocate for shared legislative priorities. This collaboration brings together members from all three organizations—superintendents, AEA chiefs, PK–12 and AEA board members, and public schools statewide—uniting as one voice to support Iowa students.

AEA, IASB & SAI Joint Legislative Priorities

- Support students by increasing funding and resources for full-day preschool to promote early literacy.
- Ensure stable support for special education to provide consistent services and opportunities for ALL students.
- Strengthen our education workforce through increased resources and flexibility.
- Sustain essential services provided through the AEAs to support ALL students.
