

IASB Update for AEA Superintendent Meetings November 2022

Encourage Your District's Delegate to Review Available Materials Ahead of IASB's Delegate Assembly & Annual Meeting

Your board's representative at this year's [IASB Delegate Assembly & Annual Meeting](#) on Nov. 16 will be voting on important issues, including a 2023 legislative platform that has been substantially revised to better communicate the tie to student success in public policy positions of IASB. In addition, delegates will vote on proposed IASB dues for 2023–24 and the nominee for IASB President-elect. Several regions are also nominating directors for the IASB Board.

Check out [all delegate materials](#) for more details. Please ensure your board has appointed a delegate, and that the delegate is prepared to represent the board in these votes.

If you have questions, please contact Stephanie Rousseau at srousseau@ia-sb.org.

Get Ready for IASB's 77th Annual Convention & Trade Show

TAKE A VIRTUAL TOUR NOW. Whether you're brand-new to [SCHED](#) or have been using the platform for years, our [virtual tour video](#) is an amazing resource to review. In the video, IASB Convention & Events Director, Tiffany Rudd, walks you through the SCHED platform, gives tips and tricks, and shares reasons why you should log in and set your agenda prior to attending the 77th IASB Annual Convention on Nov. 16–18.

This digital program is [available today](#) so you can begin mapping out your schedule and making the most of your time in Des Moines. Note that the printed pocket program that all attendees receive once you check-in at the registration desk at convention will still be available; however, it is an abbreviated version of the schedule. Check SCHED for the most comprehensive and updated information. Visit IASB's [convention homepage](#) to register, if you haven't already—online registration closes Nov. 9. Walk-ins are welcome and will be charged the full registration fee.

If you have Convention questions, please contact Tiffany Rudd at truidd@ia-sb.org.

Timely Tools & Resources

SUPPLEMENTAL STATE AID (SSA)/NEW MONEY CALCULATOR TOOL

While it is good to know how your district has fared financially in the past, it is equally as important to gain an understanding of where your district may be headed, financially speaking, into the future. Use IASB's [Supplemental State Aid \(SSA\) Calculator tool](#) to estimate the amount of "new money" (change in regular program funding from year to year) the district may receive over the next several years using assumptions you input on likely enrollment and SSA changes.

Together, with your board, you can use this information to answer the question: will we have sufficient additional resources in the future, or do we need to consider making strategic budget reductions now to stay financially healthy into the future? Visit [IASB's website](#) for additional financial tools and resources.

If you have questions, please contact Michelle Johnson at mjohnson@ia-sb.org.

SCHOOL BOARD MEMBERS & SOCIAL MEDIA RESOURCE

While school board members are publicly elected officials, they are also citizens. Our new [School Board Members & Social Media resource](#) explores these varying roles and best practices when engaging on social media. [Take a peek](#) and review how you/your board can use social media to communicate with your stakeholders and share your district's messages while adhering to free speech and employee and student privacy laws.

If you have questions, please contact Emily Rhodes at erhodes@ia-sb.org.
